REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: claims 1-14 are allowed.

Prior art of record or cited arts taken alone or in combination fail to disclose a specific arrangement of a tapered bearing for a drive device comprising: an electric drive motor; a housing; at least one shaft driven by the drive motor, the shaft having a compensating means to compensate for axial play of the shaft; a tapered thrust bearing is having two contact surfaces tapering radially toward the shaft axis, the tapered thrust bearing positioned on the shaft as for compensating axial play and operable for radially expanding against spring force, the shaft having an annular projection for engaging one of the contact surfaces and the housing having an annular collar for corresponding to the other contact surface, the tapered thrust bearing positioned under pre-load between the annular projection and the annular collar.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
